

Flint Hills Breadbasket Friends,

As the novel coronavirus (COVID-19) outbreak continues to evolve, we would like to share important actions we are taking to protect employees at the Flint Hills Breadbasket. Our priority is to protect the health and safety of our staff, volunteers, clients and donors. For that reason, we have made the decision to **be open, but our doors locked and we will meet you at the doors**. Our hours are posted for both Clients and Donors on the doors.

We are still able to provide services for our community and urge donors to continue supporting the Flint Hills Breadbasket and aid us in financial and food donation so we can continue our programs in this way.

Follow us on [Facebook](#) or on our website for alerts.

Thank you for your patience and, most of all, for supporting The Flint Hills Breadbasket!

Maribeth Kieffer, Flint Hills Breadbasket Executive Director
